---

July 2023

Dear RRV Residents:

On behalf of the Roxbury Run Village Board of Directors, I am writing to share some important news. Effective July 14, 2023, Wendy Nief, our Property Manager will be retiring. Wendy has served RRV for over 40 years and has been the pillar of this community. Many of us, including my family, have relied on Wendy to provide information and guidance so as to continue enjoying our homes and surroundings in this beautiful, peaceful setting with often extreme weather conditions. She has successfully overseen so many challenges in running this community and WE THANK WENDY for all that she has done for RRV and wish her a wonderful, much-deserved retirement!

As many of you know, Maria Wagner Cook has been assisting the Association in running the office during the winter months and throughout the spring. Maria was also a huge asset in helping us resolve the problems with the pool. Maria will continue to serve as our Office Assistant throughout the summer and will officially take on the position of Property Manager on September 4, 2023. Please join me in officially welcoming Maria to this role.

Sincerely,

*Lesa Dalton*

Lesa Dalton

Vice President, RRV Board of Directors
